D. HECHINGER & CO.

The Best and Biggest Clothing and Shoe House in Maysville.

Most every one acquainted with our Store that has recently visited us wonders why our counters look so depleted. Those that bought Suits and Overcoats of us since we started our Clearance Sale can readily explain it. Never in the History of Maysville's Clothing Business were such high grade Suits and Overcoats sold at such sacrificing prices, "and this is owing just to the advantage of it."

We have a limited number of our \$15, \$20, \$25 and \$28.50 Suits and Overcoats left in stock. If you can find your size, the price will not make a big dent in your pocket-book.

In buying our "Dress Up Shoes" we have not overlooked "the man behind the plow." We sell the best Work Shoes made in the country. They are not too heavy, but guaranteed to wear satisfactorily. Try a pair on our advice.

COSTUME LINENS

There is a certain crispness about it that suggests comfort on hot days and this season's loose weaves in Costume Linens make them especially cool. They do not crumple easily either. The woman who wisely anticipates her needs and is preparing early spring sewing will be delighted with our splendid assortment of weaves and colors in Costume Linens and other Fancy Tub Fabrics which include Crepes and Duvetines. The latter is the newest of the new in cotton dress goods. It has an air of distinction as well as novelty, comes in exquisite shades, doesn't crumple easily and is found in Maysville only at this house.

Costume Linens 25c to \$1.

Crepes 10c to \$1.25.

Devotyn \$1.

The higher priced fabrics are 45 to 50 inches wide and do not require much yardage for a dress.

EXCEPTIONAL COAT VALUES

Many of us were forced to a realization this week we would be safer from colds and attendant ills and also more comfortable if we had a warmer coat. It is the opinion of many that real winter weather is just beginning.

OHIO RIVER DAMS

Work To Be Pushed On Ten This Summer To Cost Over \$12,000,000.
